Quickly connected a USB device...

The GRAUGEAR front panel G-MP01 puts an end to "crawling under the table and behind the PC". With the 1x USB Type-C® and 2x USB Type-A ports, nothing stands in the way of connecting peripherals quickly and conveniently. The USB Type-C® port transfers data at speeds of up to 10 Gbit/s and the USB Type-A ports at up to 5 Gbit/s. The simple and elegant front panel is installed in a free 3.5" standard slot in the PC.
