Not just for the One...

The mobile GRAUGEAR docking station G-M205-20G-F is the ideal companion if you want to switch between NVMe or NGFF SSD on the trip. But the G-M205-20G-F also cuts a fine figure as a stylish SSD enclosure. An active, quiet 20 mm fan and an aluminium heat sink provide sufficient cooling, ensuring optimum heat dissipation and protecting the SSD from overheating.
