The mixture makes it

This 4 Ports USB HUB from Graugear is a compact companion in an elegant aluminum housing that allows you to operate both your USB Type-A and USB Type-C® devices on your end device such as notebook, PC, etc.. When connecting the G-HUB2C2A-10G, you also have the choice to operate it either on USB Type-A or on Type-C® port. The integrated 20 cm long USB cable ensures "freedom of movement". With all 4 USB ports, 2x Type-A + 2x Type-C®, nothing stands in the way of a transfer speed of up to 10 Gbit/s.
