SD
Card Reader

Features

- Front panel with 4xUSB, card reader and audio ports
- 4x10 Gbit/s USB ports, 2xUSB Type-C + 2xType-A
- 1x SD and 1x microSD card reader
- 1x microphone and 1x earphone port
- Fits into a standard 5.25" drive bay

Not only for fast...

The front panel with 4x USB, card reader and audio ports ensures that a modern variety of connections is available directly at the front. This puts an end to the annoying "crawling behind the PC". Besides the comfort gain, the GRAUGEAR front panel with USB HUB, card reader and audio ports can be easily and elegantly integrated into a free 5.25" standard slot in the PC.
